

Do you work with lasers or optics?

Are you a member of a professional optics society?

Interested in finding out more?

Then come to a

Graduate Student Mixer!

Tuesday December 6, 2005

at 4:30pm

207 Technology Bldg. T2

All students welcome!

- Find out about some of the interesting optics research going on in Houston
- An introduction to the IEEE and LEOS
- Free pizza and drinks

Presented by
The Houston Chapter of the
IEEE Lasers and Electro-Optics Society

Co-sponsored by Applied Optoelectronics, Inc.
